Re: COVID-19 Update

Dear Valued Customer:

In response to the COVID19 pandemic many states have implemented statewide stay at home, or shelter in place orders. Only those businesses determined to be essential are permitted to maintain operations. As a supplier to many of the industries as determined essential; (food packaging/processing, medical, infrastructure), Diversified Packaging Grp, LLC will continue to operate as will all of our manufacturing partner locations.

We will continue to keep the health of our customers and team members as our highest priority throughout this ordeal and follow the direction of the health and civil authorities.

If you have any questions, please contact your sales representative or e-mail me directly at dsmith@diversifiedflex.com or call (440)935-1597.

We wish you and your loved ones health and safety during this unprecedented time.

Respectfully,

Dick Smith
